Chaperones Needed Band Camp August 12 - 17

We are still in need of Moms to chaperone for summer band camp. There is no cost for parent chaperones. Come for as many nights as you can. For everyone's safety and security our goal is to have 2 parents per cabin with 6 to 10 students. We will try to accommodate chaperone cabin requests while making sure we have 2 parents with each group of students. We appreciate your understanding and flexibility to make camp a success for all.

Duties include cleaning cabins, mixing juice and taking it to the fields for breaks, chaperone at the lake, pool or basketball courts during free time, helping with nighttime activities and calming some evening jitters.

So come and lend a hand, make friends with other parents and meet some of the rising stars of the O'Hara music program. Sign up at the April meeting or email Rose Jordan at rjordan@phillynews.com.
